

Weddings Civil Ceremonies Special Family Occasions

All the elements that make a social event, space, atmosphere, mouth-watering food and wine, discreetly efficient service and attention to detail can be guaranteed at Titchwell Manor hotel.

The perfect venue for your special day, whatever you have in mind we will be only too pleased to discuss at our meeting, and give you the opportunity to look around the hotel, view our bedrooms and plan your menu with head chef Eric Snaith and wedding planner Margaret.

Set close to the golden beaches , with secluded walled gardens and log fires, we offer fabulous opportunities for memorable photographs throughout the year.

Titchwell Manor Hotel lends itself to exclusive use for weddings and special celebrations with 27 individually designed bedrooms, spacious contemporary bars and lounges and a dedicated team who will focus on you and your guests throughout. On summer nights there might be tables on the terrace and lawn, candles and gentle music or during colder months the comfort of roaring fires and dancing into the night might be the order of the day.

Whether a lavish grand wedding reception or more intimate service with family and friends, we offer the very finest personalised service.

We do not have a separate suite for weddings and parties so you and your guests have the use of the beautiful dining room, lounges and bars in the hotel, and use of the 27 guest bedrooms ensuring exclusive use for your special day.

If you are planning a day time wedding and will leave the Conservatory by 5.30pm we do not require bedrooms to be included in the quotation nor will we make a restaurant hire charge. If you are considering booking the whole hotel for your wedding day and evening party celebrations we make a charge for the restaurant hire.

We do not hold weddings over Bank Holiday weekends but for any other dates please speak to Margaret just to check availability and to get a estimate of costs involved. We may have dates where we can offer special discounts. At our first meeting we can discuss your ideas for the wedding breakfast, this might be a simple but sumptuous three course meal or a menu styled around Eric's Tasting Menu which is much sought after.

The Conservatory and Garden Room

Bright and airy throughout the year with views into the garden, catering for up to 85 guests for the ceremony and dining after. Extra guests may increase numbers in the evening with dancing in the terrace bar to a disco or live band.
