An example of our previous 2-day package is given below - 2022 details may differ.

Titchwell Manor's New Year package is renowned for many reasons, but no more so than for its luxurious food, stunning accommodation, stylish décor and celebration to bid farewell to one year and toast in the next.

Below is a sample itinerary of previous events as a guide - 2022 details may differ.

New Year's Eve

Arrive from 3pm to enjoy your favourite drink whilst our team assist with a relaxed check-in and provide assistance with your belongings. Evening celebrations begin at 7:30pm, when sitting down to a gourmet six course candlelit dinner in the Conservatory and Eating Rooms. Dishes are carefully created by our Head Chef using the finest local produce. Celebrate with us and our other guests when we countdown to midnight and raise a toast to the New Year with a well charged glass of Champagne.

New Year's Day

Rise on New Year's Day to an award winning full English breakfast, perhaps accompanied by a Bloody Mary if you wish! Spend the rest of the day relaxing or take a stroll along the stunning local beaches with a chance of spotting the resident seals. Head down the road to Thornham to visit Eric's Fish and Chips or Eric's Pizza for a range of lunch options from traditional favourites or create your own tapas style meal.

In the evening, enjoy a relaxed and hearty supper with a selection of The Snaith family favourite comfort dishes, such as luxury fish pie, toad in the hole and cottage pie.
